PUBLIC OPINION.

The South, it is safe to say, believes that Mr. Blackburn should be the speaker of the Forty-sixth Congress. (Louisiana Courier-Journal (Chic).)

Now, the fact is, both Tilden and Grant are the only candidates of the time—kept in the South to frighten off all the other candidates and save the harvest for the small politicians—Richmond Star (Chic.).

It is a curious and interesting political fact that the Northern Democrats whom Mr. Randall is able in order that he might give the Southern people a chance to elect a Republican, are the very men who received those places to defend his reduction. (Springfield Union (Chic).)

THE QUESTION OF SOLIDITY.

From *The New York Times* (Chic.).

The South has been made solid for such a long time that it is now a question of whether it is to remain so or not. The Union, by means of a free trade policy, has been every day more and more solid. The North, on the other hand, is becoming more and more divided. The Union, by means of a free trade policy, has been every day more and more solid. The North, on the other hand, is becoming more and more divided.

FUNNY, BUT SO.

From *Harper's Weekly* (Chic.).

The Potter party is called the opening of the Democratic campaign. It is the opening of the Democratic campaign. It is the opening of the Democratic campaign. It is the opening of the Democratic campaign. It is the opening of the Democratic campaign.

GARFIELD TO BE SENATOR.

From *The Cleveland Leader* (Chic.).

There is an impression abroad in the State that General Garfield wants to be Governor of Ohio. He has not changed his opinion on the question. He has not changed his opinion on the question. He has not changed his opinion on the question. He has not changed his opinion on the question.

ONE SOLID VOICE FOR RANDALL.

We are aware some complaints have been made of Randall, but he must be regarded as fortunate to have been elected so long, under such peculiar circumstances, and to have been so long in office. He has not changed his opinion on the question. He has not changed his opinion on the question. He has not changed his opinion on the question.

NEW-JERSEY LEGISLATURE.

DANGEROUSLY BEHIND WITH WORK—ECONOMY OF THE PRESENT LEGISLATURE ILLUSTRATED—THE SEAT OF SEWELL MADE SURE.

FROM THE REGULAR CORRESPONDENT OF THE TRIBUNE.

TRIDENT, March 11.—Both branches of the Legislature held three sessions to-day, transacting a large amount of business. The bills passed were not generally of an important character, but the discussion was occasionally interesting. Notwithstanding the progress made to-day, and the promise of hard work during the remainder of the week, it seems barely possible that final adjournment can take place on Friday next. There are now over 100 bills in the House, and it is not probable that more than 100 will be passed before adjournment. The action on bills to-day has shown that if some bad measures are not passed in the haste it will be due to the honesty of legislators and lobbyists, and not to the care of the Legislature in enacting laws. This applies more particularly to the Assembly, however, where the method of dispatching business is truly fearful to contemplate.

The Committee on Elections, of the Senate, presented its report upon the contested case of President Sewell to-day afternoon. The report was in favor of Sewell. Mr. Hobart, of the committee, said the proceedings had absolutely no foundation, and that the only reason apparent for the contest was the hope of getting paid well for it, as has been occasionally the custom in contested cases. The prosecution throughout, he said, was extremely dishonest. The contest, it will be remembered, was based on the claim of the Camden County Democratic Committee that the naturalization papers of Mr. Sewell were false. The investigation has shown that the claim was as dishonorable as it was baseless. The Senate will adjourn to-day at 4 o'clock.
